NARRATIVE

***During this event I was assigned to a prisoner processing team that operated out of the West Precinct. All information provided in this report is based on reports from arresting and witness officers. I have no firsthand knowledge of the incidents that led to this arrest or the specifics of the arrest as I was assigned to the precinct the entire time.

This incident occurred during protests subsequent to the grand jury decision in Ferguson, MO. Officers were monitoring an unauthorized protest march that meandered around the city, at times committing unlawful acts such as throwing items at law enforcement, making illegal entry onto a freeway and failing to disperse when ordered to do so.

While monitoring this group, Officer Nelson was approached by a witness who stated he saw a male reaching under a vehicle with a road flare, which concerned the witness as he was unaware of the suspect's intent. The witness pointed out the suspect, who was stopped by uniformed officers. Upon contact officers asked the suspect, later identified as A/ ACORD, if he had any weapons. A/ ACORD admitted to having a firearm in his bag. A/ ACORD consented to a search of his bag and further admitted that he did not have a CCW permit. Upon discovery of a loaded 9mm handgun he was arrested.

During a search incidental to the arrest, a knife with a 7" fixed blade was discovered. The weapons were placed into evidence, along with the road flare.

The involved officers will complete detailed statements which will be attached later.
